Reference is made to my memorandum September 23, 1964, wherein it was recommended that we proceed cautiously with USIA in connection with the 30-minute television program based on the Warren report.

On September 28, 1964, in accordance with the Director's instructions, Inspector Kemper called Mr. Marvin Lipman, producer of the show with USIA (telephone 962-6961) and advised him that due to our heavy responsibilities we would not be able to cooperate with them in connection with this matter.

RECOMMENDATION:

For information.
